Sir,

SUBJECT:- Southern Command Military Circus.

With reference to your Memo No. 716/W. dated the 13th September 1941 regarding the display at Mysore of the Southern Command Military Circus, I have the honour to state as follows:-

2. The Private Secretary to His Highness the Maharaja wrote to me to say that in the opinion of Colonel Vigors, the Old Mysore Lancers camping ground near the Mysore Horse was by far the best place for the Circus to halt during their stay in Mysore. Thereupon, I took up the matter with the Commandant, Mysore Horse. He has agreed to place sufficient ground at the disposal of the Circus. The President, Municipal Council, and myself insptected the plot of land chosen this morning. It is a fine Maidan by the side of the Mysore-T.Narsipur Road and in front of the Quarter-Guard. There is a certain amount of shade in the day time, and at nights, the whole area is illuminated by Electric lights. There are three water taps at a convenient distance from the Maidan. Altogether, it is an ideal place for Military camping. If the Government agree, the Residency or the Officer in charge of the Military Circus may be kindly informed accordingly.

3. The President stated that the Private Secretary had, in consultation with Colonel Vigors, already settled the arena for the giving of displays. The place selected is the bed of the Dodkere tank and the Military Circus will be treated as an integral part of the Military sports organised in connection with the War Week.

4. Regarding supplies, I have instructed the Amildar to meet the Officer in charge of the Circus on arrival and ascertain from him the quantities of fire-wood, fresh milk and vegetables required for the use of the party. Necessary arrangements will be made to supply these articles, either through the City Kotwal or through a local Contractor or merchant. The Commandant, Mysore Horse, also has kindly consented to render such assistance as may be needed. I have asked the Amildar to keep himself in touch with the Commandant and see that no room for complaint is given in this respect. If the Officer-in-charge of the Circus wants these articles to be kept ready by the time the Circus arrives at Mysore, he may be kindly requested to give advance intimation of his exact requirements to the Amildar, Mysore, or to the Commandant of the Mysore Horse. Otherwise, he must be prepared to wait for few hours before he could get supplies. In conclusion, I request that the time of arrival of the Military Circus party at Mysore may be kindly intimated.

I have the honour to be,
Sir,
Your most obedient servant,

District Magistrate,
Mysore District.
